

Learn 109 common words from the Quran with their meaning

بسم الله الرحمن الرحيم

You want to better understand the Quran, but you don't know much Arabic yet? Then this resource from learnarabicwords.net is going to be really beneficial for you in shaa Allah. We have made a list of 109 common words from the Quran with their meaning. The list will help you get started to understand more of the Quran bi idhni Allah.

The idea of this list came from a suggestion from one of our visitors. She suggested that we should add words from the Quran to our website.

We already have over 500 [Arabic words with pictures](#), but we did not yet have a specific section for words from the Quran. We felt like we should definitely add common words from the Quran to our website.

Muslims are eager to learn and understand the book of Allah. This makes sense because our goal with learning Arabic is, of course, to understand the Quran and to apply it in our lives.

Learning and understanding the Quran is not difficult. In fact, Allah says in the Quran:

//

وَلَقَدْ يَسَّرْنَا الْقُرْآنَ لِلذِّكْرِ فَهَلْ مِنْ مُدَكِّرٍ

And We have indeed made the Quran easy to understand and remember, then is there any that will remember (or receive admonition)?

Surah Al-Qamar 54:17 – Translation by Muhsin Khan

//

To help you get started we have made a list of the most common words in the Quran. Many words are repeated over and over in the Quran. When you know the meaning of these words you are on your way to start understanding the Quran.

This is of course just a start. The Quran is the most beautiful, eloquent and rich book. To fully understand the Quran you need to study the explanation (tafseer) with the people of knowledge as well as study Arabic properly.

For great and authentic tafseer audio lessons in English, we recommend:

- [Tafseer of ibn Kathir, read by Abu Hakeem](#)
- [Tafseer of Shaykh Ibn Al-Uthaymeen, read by Moosaa Richardson](#)

For studying Arabic properly we recommend [markaz Al-Forqan in Egypt](#). You can visit their institute or take online lessons.
